

NouLou Chamber Players Parlor Series at Oxmoor Farm — Sponsorship & Subscription Form

Since 2015, **NouLou Chamber Players** has been a vibrant ensemble bringing together **Louisville's elite classical musicians to provide our community with exceptional music-making outside of the traditional concert hall.** Our salon style of performing in intimate settings is reminiscent of the way chamber music was enjoyed centuries ago, but with our own fresh take and modern flair. We have also enjoyed collaborations with Cave Hill Cemetery, Fête de la Musique Louisville, Filson Historical Society, Gravely Brewing Company, New Lens presented by 90.5 WUOL and 21C Museum Hotel Louisville, the New Music Festival at University of Louisville, the Ogle Center at Indiana University Southeast, Treyton Oak Towers, and Violins of Hope Louisville. We have expanded our educational mission through collaborations with the Louisville Academy of Music with his Magnolia Chamber Players. We have continued Louisville's great tradition of commissioning & recording new works including albums *Cellostatus* with Nicholas Finch (*described by Yo-Yo Ma as "Superb!!"*) and *Payne Hollow Piano Trio* by Daniel Gilliam and have begun creating free children's programming with Oxmoor Farm such as *Helen & Nora* by Sebastian Chang.

Our Parlor Series, in partnership with Oxmoor Farm, brings to life these traditions in chamber music with one of Louisville's most historic and elegant settings. Hosted in the intimate library at Oxmoor Farm, this series offers audiences an up-close chamber music experience that blends local artistry, history, and community in a uniquely memorable atmosphere. By pairing exceptional local musicianship with creative programming and intimate venues, NouLou creates musical experiences that are both accessible and deeply personal.

Supporting the Parlor Series offers sponsors a meaningful opportunity to align their name & brand with local artistic excellence, cultural enrichment, and community engagement. Sponsors become valued partners in supporting our best local musicians and Louisville's cultural heritage while gaining visibility among arts patrons and community leaders as well as providing our city with impactful, memorable, and high quality musical experiences.
